

Athlete of the Week

October 4, 2009

Bakary Torrence of Mooreville Senior High School

Bakary Torrence is a senior at Mooreville High School where he plays Football and runs Track. Bakary has played a quiet but important role for the Blue Devils.

He has led in tackles for the past two years and just the other week against Alexander Central he had 15 tackles and 1 blocked punt.

He is described as, “very quiet, humble and has a great attitude toward his teachers, coaches and peers.” Bakary has learned through his years of team play to be patient and the importance of teamwork. He has aspirations of becoming an engineer and playing football during college. Bakary finds the challenges of being a student athlete most tiring after a long practice and still facing homework each night. His passion for the game and his team keeps him focused and allows him to perform his best on the field.
