

Athlete of The Week

September 20, 2009

Leondra Pridgen of Mooreville Senior High School

As a senior at Mooreville High School, Leondra has proven her athleticism and mastered the demanding schedule of being a student athlete. Leondra excels in three varsity sports, Tennis, Basketball and Track. Her list of accomplishments are impressive to say the least including making it to second round NC state playoffs in 2008 for basketball, and second round NC state playoffs in 2008 in tennis. Leondra has stood out in her track career. She has been named all county for hurdles the past three years, received coaches award two years, named MHS runner of the year and outstanding runner, in addition to impressive finishes in 100, 200, 300 hurdles and 4x200 relays.

It is clear that Leondra is an outstanding athlete, and has practiced hard to deserve achievements. She also portrays admirable qualities that bring her success off the track and courts. She believes her teammates have encouraged and pushed her to obtain her goals. Leondra has set the bar high coming into her senior year, but she expects to rise to the challenge, "My goals are to do better than I've ever had this year. After high school I would like to attend college and be a student athlete."

Congratulations Leondra! Your hard work and positive attitude have brought you far.
